WIEGAND.WATERRIDES GMBH

RR2700

Tubeslide XXL!

The RR2700 is manufactured from fiber-glass reinforced plastic (FRP). Its width allows the use of up to four-people rafts, giving families and friends a great opportunity to experience this ride together. Perfectly designed, this slide type is also used in our revolutionary SlideWheel and Urknall attractions.

All values are guidelines – changes may occur after planning and approval by technical services
