WIEGAND.WATERRIDES GMBH

U-DROP

Standing alone in the capsule. The tension increases, the pulse goes up. The countdown starts - all of a sudden the floor disappears from under your feet and you fall into the unknown! But no need to worry: the new, electronically operated Drop Start from wiegand.maelzer is according to the highest safety standards and is easy to operate.

All values are guidelines – changes may occur after planning and approval by technical services
